ANTIOCH, ILLINOIS, THURSDAY, SEPTEMBER 22, 1966

VOL. LXXXI, NUMBER 13

The framework of the new building that will house Lyons & Ryan Ford is going up, a part of the surge of business expansion in Antioch this year.

## No Building Slump In Antioch Area

There may be a building slump in other areas but there is certainly no indication of it in Antioch.

Businesses are expanding and building new homes in every section of the village. Churches, too, have added to the building boom.

First Church of Christ, Scientist, have completed their new building at Route 173 and Harden. Set atop a hill overlooking Antioch, the lighted spire of the church catches the eye of motorists driving west on Route 173.

In the Antioch shopping plaza, the new A & P Store is nearing completion. The new building is larger than the store that burned down and will again have some of the convenience features of the former building—rest rooms, a coffee lounge and a play area for children.

Another new business going up in the Plaza is a Texaco Service Station. Now being built, completion is expected about Dec. 1. The building will be colonial style, and will have two service bays.

Another new service station that has been "on the fire" for some time is the Phillips 66 station planned at the corner of Main St. and Broadway, replacing the Mortensen Hotel. The hotel will be vacated Dec. 1.

Over in Industrial Acres, Quadrielle, Inc., is constructing a new building on Anita St., north of Skach Mfg. Quadrielle is a machine shop and has been operating a plant on Grass Lake Road for about ten years. The new building will provide more space for the business.

Across the street from Quadrielle, the Fred W. Jach Metal products company plans to construct a new home for their business.

In La Plant Industrial Acres, on the south side of Route 173 east of the railroad tracks, Lyons & Ryan Ford is building a new home. Now located on Main St., the new building is scheduled for occupancy about Dec. 15.

The building covers one square acre, and will be an L-shaped construction. There will be a much larger sales area.

Also in the LaPlant Industrial section is the new building that will house The Advertiser, now located on Rte. 173 near 50.

On Main St., Radke's Barber Shop has started an extensive remodeling project. The shop has been doing business at this location for 70-odd years. The remodeling will be a complete renovation, including new chairs, sinks, and other fixtures. In addition, an entrance to the shop from the rear, opening on to the parking lot, will be added. The shop will remain open during the work, after being closed Tuesday and Wednesday of this week.

Wilton's Electric Shop, another Main St. store that has expanded, held the Grand Opening of their new showroom last week. Expansion, or a move to a new and larger location, is the order of the day in Antioch.

## Antioch Mental Health Auxiliary To Meet

The recently-formed Antioch Auxiliary of the Lake County Mental Health Society will meet at 8 p.m. Monday, Sept. 26, at the home of Mrs. Robert Lubkeman on North Ave. Donald Holm will be guest speaker. His topic will be the Elgin State Hospital.

Members attending the meeting are asked to bring old jewelry and bow ties for the patients at the hospital.

The Lake County Mental Health Society dance will be discussed, also the possibility of opening a thrift or re-sale shop in Antioch to raise funds for the Society.

Refreshments will be served.

## Tax Ceilings To Be On Nov. Ballot

Voters of Lake County will get a chance to approve ceilings on five county funds at the November elections.

The board of supervisors approved placing the question of tax ceilings on the ballot after petitions containing more than 9,000 signatures were presented to them by the Association of Collective Taxpayers.

If the tax ceilings are approved by the voters, a public referendum would have to be held to increase the tax ceilings on the funds.

On the November ballot will be the question of putting ceilings on the following funds: county building commission rental fund, 4c for each \$100 assessed valuation (3.7c was levied this year); 3c for the board of health (2c levied this year); 3.7c on the county general operating fund (6.7c levied this year); and a 4c ceiling on the TB sanitarium fund.

## Cancel Candidates Tour After Murder

Illinois GOP Chairman Victor L. Smith announced Monday the cancellation of the Republican State-wide Caravan tour which was scheduled for Monday, Tuesday, and Wednesday in the Seventeenth, Eighteenth and Nineteenth Congressional Districts. Decision to cancel was made out of respect and sympathy for the Charles H. Percy family in the death of Valerie, daughter of the candidate for United States Senator.

Ray Page, candidate for re-election to the office of State Supt. of Public Instruction and Harris Rowe, candidate for State Treasurer concurred in the sentiment to abstain from caravan activities for next week.

Senator Paul Douglas, Democratic candidate for U. S. Senator, also announced suspension of his campaign until Percy resumes his campaign.

Valerie Percy, 21-year-old daughter of the Republican candidate, was murdered early Sunday morning in the Percy family home in Kenilworth.

## Collage, Grass Fires Keep F. D. Busy

A fire at the home of D. Norris at Cox's Corners Monday caused about \$250 damage, according to firemen called to the scene.

The Antioch Fire Department was called at 10 p.m. Monday when the fire was discovered. Cause of the fire was believed to be a faulty chimney.

Antioch firemen were unable to reach a slough fire by truck last Friday, and walked about a quarter of a mile through the slough to beat the fire out with brooms. The grass fire was in the north slough between Grass Lake and Route 173. Firemen were called at 7:00 p.m.

The fire department was called at 2 p.m. Saturday to extinguish a grass fire on the Olson farm on North Ave. Another grass fire at 5:15 p.m. Tuesday behind Paty's Lounge at Channel Lake called out the fire fighters.

## More Hearings On Zoning Ordinance

Further public hearings on Lake County's new zoning ordinance will be held in the near future.

The decision to hold the hearings on changes in the ordinance was made by the Lake County Planning and Zoning Committee, the Zoning Board of Appeals and the Regional Planning Commission at a joint meeting.

Public hearings will be held in individual townships to reconsider changes made as a result of the new zoning ordinance. The first township hearing will probably be held around Thanksgiving. A central public hearing will be held in Waukegan at a later date to present and hear comments on suggested changes to the text of the new ordinance.

The hearings will be held at county expense. Property owners and appropriate governmental organizations are invited to submit petitions to the secretary of the Zoning Board of Appeals at 316 Washington St., Waukegan. Testimony at the hearings will be restricted to specific rezoning petitions and to the text of the ordinance.

All petitions must be filed by the cutoff date of October 10 on forms provided by the county building and zoning department. Any petition filed after the Oct. 19th date must be accompanied by the regular \$100 filing fee.

The right to petition to rezone specific pieces of property is generally restricted to the owners of such property and to the Board of Supervisors. Property owners associations and similar groups who feel that certain zoning changes would be in the best interest of their areas should contact their township supervisor. The supervisor may petition for a change in their behalf.

Suggestions for changes in the text of the ordinance can be presented to the secretary of the Zoning Board of Appeals or to the Regional Planning Commission Office. Suggested changes must be filed prior to the October 19th cutoff in order to allow time for drafting or amendments. The hearing on the text will probably be held in early February.

## ACHS Enrolls Over 1,000

The enrollment at Antioch Community High School is 1,009 this year, the first year more than 1,000 students have been enrolled at the school. This is 38 more than last year.

The breakdown by grades is: 9th grade, 260, 145 boys, 115 girls; 10th grade, 262 students, 150 boys, 112 girls; 11th grade, 274 students, 134 boys, 140 girls and 12th grade, 213 students, 115 boys and 98 girls.

The school is offering a second year of Chemistry this year for the first time.

## Board of Realtors Schedule Meetings

The Waukegan-Lake County Board of Realtors starts their regular monthly meetings again with a dinner meeting at Brae Loch Country Club Monday, Sept. 26. Following the 7 p.m. dinner, a program will be presented with Edmund M. Shanahan, vice president of Bell Savings & Loan Association of Chicago as the featured speaker. Mr. Shanahan will discuss "Tight Money and the Mortgage Market."

Several members of the Board of Realtors will be conducting classes in "Real Estate Principles and Practices" at evening school at Waukegan High School starting Sept. 26.

The Illinois 50th Golden Anniversary Convention of the Realtors will be held at the Sherman House in Chicago Wednesday and Thursday, October 5 and 6. And the National Convention at Miami will be November 13 to 17. Charles Cernak, Antioch, is organizing a special Lake County Members 9-day island-hopping tour following the convention to tour the Caribbean Islands.

## Antioch To Host 20-Odd F. D. Water Fight Teams

The Antioch Fire Department will host 26 fire departments from Lake and McHenry counties, departments in Wisconsin and a team from the Chicago Fire Department for water fights Sunday, September 25.

The water fights will start at 1 p.m. at the foot of the water tower on Orchard St., in the village parking lot. The 20-odd rounds will probably continue most of the afternoon.

Antioch will provide first and second place trophies for the teams that come out winners of the afternoon's watery fray. Thirteen elim-

## Main St. Seeks More Parking

The village board Tuesday night considered a proposal from a group of Main St. merchants to provide more parking for cars in the business section.

Mayor Ray Toft said that Russell Barnstable, spokesman for the group, had discussed with him the possibility of renting the Lyons & Ryan car lot for customer parking for nearby business establishments.

Lyons & Ryan will be moving to a new location on Route 173 in December. The tentative plan is for the group of merchants to rent the lot, which provides parking for 22 cars. They are requesting that the village maintain the lot.

After some discussion, Mayor Toft appointed a committee of Roger Williams, Robert Wilton and Art Meierdick to work with Mr. Barnstable on the matter of acquiring use of the lot for parking for customers of stores on Main St.

Mayor Toft commented that at the recent Municipal convention attended by vil-

lage officials, a speaker had estimated that there would be twice as many cars on the road by 1985 as at present. "Looks like we'd better start building roads," the mayor commented.

**SPECIAL USE PERMIT GRANTED**

A recommendation from the Village Board of Appeals covering the Sept. 12 hearing on a special use permit for the property at 912 Broadway was read to the board. The Board of Appeals recommended that the permit be granted.

Application for the permit was made by Ray and Joan Toft, to allow operation of a tavern on the premises. The property, formerly Kon's Outlet Store, is now Casey's Tavern.

The village board accepted the recommendation of the Board of Appeals and granted the special use permit.

**APPROVE TAG DAYS**

The board approved requests for several fund-raising days in the village. Approved was the request of the Lions Club to hold Candy Day from October 7 at noon

to Oct. 8 at noon. Candy Day is for the benefit of the blind.

Sunday afternoon, Nov. 6, the Lake County Society for the Retarded will conduct a 53-minute march on Sunday, Jan. 15.

Request for a Children's Tag Day for the Children's Benefit League of Chicago and suburbs was held pending more information.

**LOSE EASEMENT**

Mayor Ray Toft read a letter from Attorney Ted Larson, notifying the village that an easement for a road on the property of Mr. and Mrs. Albert-Herman, granted to the village on June 21, 1956, had lapsed because the road had not been improved within the ten-year time limit. The proposed road would lead to the village garage.

**COST OF CROSSING LIGHTS**

The board received a statement of itemized cost of the installation of flashing lights at the Soo Line railroad crossing on Ida St. Total cost of the lights would be \$10,494, with the state paying \$7,280; the village, \$2,098.30, and the railroad \$1,115.20.

**SIDEWALK REPAIR**

Vern Barnstable, chairman of the sidewalk committee, reported that the village had enough left from the \$3,000 allocated for sidewalk repair to repair sidewalks in front of two more homes. Sidewalks in front of the Scout House and Library were recently repaired.

Mayor Toft complimented Barnstable on the excellent job he had done on the sidewalk repair, and recommended that the same program be pursued each year until all sidewalks are in good condition.

**POLICEMAN RESIGNS**

Chairman of the Police Committee announced that Patrolman Fred Elam had resigned from the police force and is now employed at Great Lakes. No reason for the resignation was given.

**NO NIGHT PARKING**

The board passed and approved an ordinance prohibiting parking on any street in the village of Antioch between the hours of 2 a.m. and 5 a.m. The ordinance was instituted to facilitate cleaning of streets, both sweeping and snow removal.

Mayor Toft reported that the village public works department had extended or looped three sewer lines, located at Lake St. and David, one at North Ave. and one at Oakwood Drive.

## ACHS Board Approves Vocational Program

The Board of Education of Antioch Community High School last Wednesday night approved participation of the High School in the Waukegan High School area vocational program.

The board approved payment of tuition for three Antioch boys of \$789. Two of the boys study Auto Mechanics for two hours each school day, from 1:15 to 3:15 p.m.; one attends Vocational Machine Shop for three hours in the morning.

A recently-arisen problem at the school, sand in the water, was discussed by the board. Sand has been accumulating in fixtures since school opened. Mr. Dittman said, jamming valves and in some cases pitting valves and causing leaks.

Porter Larson, school custodian, has consulted with village water department officials on the problem. Charles Mapleshorpe said they believe the problem is caused by the loosening of deposits in pipes since Aquadene has been added to the water. If it is, the problem should clear up soon.

The village water department is trying to hasten the clearing-up process by flushing water mains. The nearby laundromat has also had some problems recently with the water.

The sand deposits are believed to be a result of the

problem of sand in the water when the new well was opened. The sand was eliminated, but some probably remained in pipes. Mapleshorpe said, and combined with iron slag.

The board approved ten contract changes. The changes involve addition of extra-curricular activities, such as coaching, for some teachers, and a moving-up in the salary schedule for others due to credits gained in summer school.

The board released Miss Joanne Owen from her contract as Girls' Physical Education teacher. Miss Owen was unable to fulfill her contract because of the illness of her father. A substitute teacher has been employed, but her employment is limited by pregnancy.

The board appointed committees for the 1966-67 Salary and Curriculum committees. William Brook, John Blackman and Mrs. Lielen Kopriva comprise the salary committee; Dr. Albert Bucar, Robert Lindblad and Roger Prossie are on the curriculum committee.

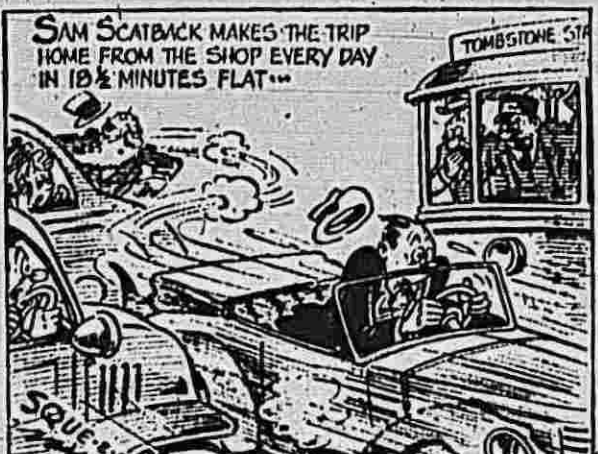

The board approved 34 requests by teachers to attend State and National conventions.

The board toured the school to inspect repairs and maintenance performed during the summer.

Dick Radke, third generation in the barber business in the Radke Barber Shop on Main St., watches the start of the complete remodeling of the shop now going on.

### Educating The Unwilling

Lack of education is often cited as a cause for unemployment. So, to combat poverty and unemployment, the government launches a drive to educate the uneducated.

Maybe it will work. Perhaps enough education can be forced on enough young people to remove them from the relief rolls. But how can anyone, with a desire for education, go uneducated in this country?

Cities are the reservoirs of the poverty-stricken and uneducated. And every city has libraries. Every child attends some school. So if he doesn't manage to get some sort of education, it's lack of desire for education.

How can you combat lack of desire? Children mimic their parents. Raised in a family that never reads, that has no longing to learn, how to instill the desire in a young person?

It's a fortunate child that has the thirst for knowledge. He'll manage to get it, in spite of poverty or poor teachers, if he really longs for it. And of the ones who find reading and study a chore, there will be few who will get any lasting good from government programs.

### Courthouse Notebook

BY LOU DURKIN

The Lake County Board of Supervisors came dangerously close to putting themselves in an untenable position with its ill-advised suggestion that the question of constructing a new courts and jail building be put to the voters.

The chances of such a referendum being approved by the voters are about the same as the chances of the Chicago Cubs winning the National League pennant next year.

Defeat of the referendum, even an advisory referendum, would not change the situation which is that more court space and better jail facilities have been needed for 20 years and are still needed.

If the people turned down the proposition as they were almost certain to do, the county board would have to proceed to build in the face of unquestioned opposition.

The supervisors went to the people several years ago on the question of building new county government facilities and they were turned down.

The need was still present, however, and the supervisors proceeded on the basis of the county building commission, the legality of which has been thoroughly tested in the courts.

The county board was subjected to considerable abuse and criticism because they proceeded in site of the outcome of the special election, but the outcry would be even greater and with considerably more justification, if they ignored the express wishes of the people a second time.

There are times in government when the elected representatives must decide what is needed and then go ahead and provide the money and the facilities.

The financial management of the county government the past few years has not been such as to inspire confidence on the part of the voters.

There have been recurrent cries from the supervisors and their financial advisers of pending fiscal doom, but there has been no apparent effort to reduce expenditures in non-essential areas nor has there been a noticeable increase in services to match the added revenue available through an increase in the general corporate fund rate provided by the state legislature.

It is true that the cost of government, like everything else, has gone up considerably the past few years, but the income of the county government has risen spectacularly in the same period

with sales tax income, income earned by the County Collector, and the general fund tax rate hike.

This added revenue should be enough to enable the supervisors to build the entire courthouse complex without adding to the tax burden.

If the supervisors can't accomplish this they are guilty of gross mismanagement or gross misrepresentation because the board is on record as saying it can be done.

It will be interesting to see if the Lake County Health Department, created by referendum initiated by the electorate, can justify its continued existence to the expanded electorate between now and election time.

The Health Department, like the county general fund and the Lake County Tuberculosis Sanatorium Fund, is a target of the Lake County Association of Collective Taxpayers in its bid to place a tax rate ceiling on county funds through a November referendum.

The health department, has been without a director since the resignation of Dr. Arthur Baker and may be hard put to convince the people of Lake County its services are even needed, much less that a limit should not be placed on its taxing powers.

The supervisors have not taxed the full limit allowable under the new corporate fund rate, so a ceiling on this could be voted by the citizens who have in the past turned down requests that it be raised.

The TB Sanatorium Fund will probably not be changed because it has established a sound reputation and "good image" over the years.

### Your Congressman Reports...

By Cong. Robert McClory

The long awaited reform of the Congress will not occur during 1966. Even the modest "reforms" recommended by the special Joint Committee on the Organization of the Congress have been shelved until the 90th Congress convenes in January 1967.

A feat of treading on some Congressional toes—and not the long hot summer—has resulted in this forced delay. According to Senator A. S. "Mike" Monroney of Oklahoma, co-chairman of the Joint Committee, the group's recommendations are being studied by the Senate Rules Committee to determine whether any prerogatives of existing committees would be jeopardized. The other co-chairman, Representative Ray Madden of Indiana, reports that similar delays are to be expected in the House.

Among the improvements proposed by the twelve-man Joint Committee are the following:

(a) Granting to a majority of a committee the authority to report out bills—whether the committee chairman agrees or not.

(b) Providing increased staffing to minority party members of committees.

(c) Requiring sessions of Congress on a five-day week—instead of three to four days as at present.

(d) Requiring sessions of Congress on July 31 of each year instead of the seemingly endless sessions as at present.

(e) Creating a special committee to establish standards of ethical conduct of House members.

(f) Permitting the televising of House committee hearings—in the manner as now authorized in the Senate.

A number of other recommendations were made by Republican members of the Joint Committee, including the establishment of a Committee on Procedures and Policies to be dominated by the minority or opposition party. It is suggested that such a committee could provide a wholesome review of actions by the executive without being subjected to the deterrent influences which an executive may exercise over the members of his own party.

An interesting recommendation of committee member Representative Ken Hechler of West Virginia calls for the installation of a closed circuit television receiver in the office of each Member of Congress in order that he might keep a constant check with the development of debates on the floor of the House or Senate in order to determine more accurately when his physical appearance on the floor is most important. This recommendation is coupled with the further suggestion that certain sessions of the House and Senate should be covered by live television in order that the citizens of the nation may witness via this medium historic debates and proceedings of the U. S. Congress.

A House Republican Task Force has lent substantial support to the Congressional modernization efforts by presenting a series of constructive articles on the Congressional work and procedures. These articles, 21 in all, have been embodied in a publication entitled "We Propose: A Modern Congress." It was the privilege of this Member to prepare a chapter for this volume on the role of the Congress in the fiscal and budgetary business of the Federal Government. These articles are designed to enhance the Congressional role in our Federal system and to prevent the further encroachment of the executive branch on Congressional prerogatives.

Notwithstanding the great public and Congressional interest in modernizing the U. S. Congress, it is doubtful that any constructive steps will be taken during this session. The final report of the Joint Committee is now available for all to review. Its implementation by legislation and by changes in House and Senate rules would appear to be a minimum step toward updating the machinery of the Congress and meeting the challenges which are with us today.

## ALONG THE WAY with Annie Mae

### Hometown Boys Make Good

The football season started off with a smashing (3-36) victory over St. Mary's of Burlington. Along with it came many alumni with that old team spirit to cheer them on. Congratulations.

Wilton's Electric Grand Opening proved highly successful. Especially the colored TV, Grace Strahan, winner of the automatic dishwasher (very handy with 8 children) and Wilton Anderson was the winner of the gas bar-B-Q.

Hahn's Jewelry Store is having its problems lately. It seems there is a leak in the water pipes upstairs which causes the counters to have a complete shower every once in a while.

Back Home for a Visit  
Mrs. Eva Deering of Pierceton, Indiana, is spending the week at the Edmund Vos, visiting friends and relatives and getting in lots of card playing.

### Gal About Town

That lovely blonde you see riding the Honda thru town is Jackie Horton. Usually accompanying her are her two children, Kelly and Spike. It's kind of handy to do her shopping and drop her daughter off at school. When it rains, then what?

Daffy-Nition!

Definition of a baby-sitter: A teenager sitting at home acting like an adult while the adults are out acting like teenagers!

Till next week,  
ANNIE MAE

By Pearl Kapell

A local homeowner, browsing through some personal papers last week, found a tax bill from the year 1919 on his property. The property was owned by his parents at that time. The bill was in the amount of \$12.82.

This is lake property. His tax bill last year was over \$300.

Aside from the fact that "a dollar isn't worth what it used to be," it's difficult to think that this particular homeowner—and many like him—are getting the use of enough tax-supported facilities to account for the difference.

On the minus side, the lake is not nearly so desirable as it was in 1919. It's polluted, the fishes are scarce, and the roar of motor boats disturbs sleep. The traffic of boats and water skiers makes using the lake for boating more unpleasant.

The road to his home is private, and supported by residents along the same road. True, the county and state roads he uses are considerably better than in 1919, but only the county roads would affect the taxes.

Police protection in that rural area is practically nonexistent, while there is a much greater need for it. In 1919, there was little worry over theft or vandalism.

Schools are better, of course. But he'll be paying that tax long after his children are out of school.

Obviously, owning property is not nearly so desirable as it was in 1919.

An Ohio newspaper has set a code for itself aimed at coverage of crime news. Until a case comes to trial, the paper will print only the name, age, and address of the accused, plus a description of the arrest and the charge.

The paper also will not print the criminal record, if

## Forum Series Opens Oct. 12

Temple Am Echod's Forum series opens October 12, with Newton N. Minow speak on "Equal Time in Political Campaigns". The former chairman of the Federal Communications Commission made headlines when he dubbed TV a "vast wasteland."

Forum was organized 13 years ago with the aim of bringing speakers of note to the Lake County community. Sponsored by the Sisterhood of Temple Am Echod, it remains the only instrument of its kind in the local area. It has presented such notables as Eleanor Roosevelt, Leo Durocher, Bennett Cerf and many others.

This season's roster of speakers cover four spheres of interest: TV, radio, living religion and sports. No attempt is made to mold opinion, but to bring enlightenment of a cultural or informative nature. Speakers scheduled in addition to Minow are: Jerry Williams, TV performer... Sister Mary Ann Ida, educator and lecturer and Otto Graham, Jr. All speakers will be presented at Temple Am Echod, 330 Sheridan Road, Waukegan, at 8:30 p.m. Immediately following each lecture those present will have the opportunity of meeting the speaker at an informal reception in the Am Echod social hall.

Tickets for the series of four lectures may be had by calling CH4-3742, MA3-3577 or ON2-1863.

any, of the accused, any confession he may make or any statements of public officials until the case has been tried.

### MORE CREDIT CARDS.

Pretty soon, you just won't have any need for cash. Now banks are really going to issue credit cards.

Harris Trust & Savings plans to introduce the bank credit card in the Chicago area before the holiday season. The way it works, credit card holders just charge purchases from merchants who belong to the credit card holders once a month.

There's the perfect Christmas gift for your wife, gentlemen—a bank credit card.

## Deadline Sept. 30 To Get Same Car License No.

Secretary of State Paul Powell reminds motorists that if they want the same car license numbers they had last year, application must be in his office by September 30. This means the application will have to be mailed two or three days before the deadline.

All information requested on the application must be submitted and the owner's signature must appear and the application must be notarized.

Mailing of the black and white reletterized license plates will begin on November 15, but owners are prohibited by law from displaying the 1967 plates until Dec. 1, 1966. Over-the-counter sales of plates in Springfield and Chicago will begin Dec. 1 also, Powell said.

any, of the accused, any confession he may make or any statements of public officials until the case has been tried.

## Antioch Couple Wed In Lake Villa

Myrna Masek and Frank J. Ehrhardt, both of Antioch, were united in marriage in a 7 p.m. double ring service Sept. 9 at the Community Methodist Church of Lake Villa.

The Rev. Bruce C. James heard the couple's wedding vows. The bride was given in marriage by her father.

The bride is the daughter of Mr. and Mrs. Laddie T. Masek, Rt. 4, Box 317, Antioch. The groom is the son of Mr. and Mrs. Frank H. Ehrhardt, Rt. 4, Box 152, Antioch.

The bride wore a white crepe A-line gown she had made herself. Her headpiece of white roses and lace petals was made by her mother. She carried a colonial bouquet of white roses.

Miss Susan Masek, Antioch, sister of the bride, wore a turquoise A-line crepe and matching headpiece. She carried a colonial bouquet of carnations.

James Bletsch, Antioch, brother-in-law of the groom, served as best man.

Jane Wolf, Lake Villa, played the organ for the wedding.

A family dinner was held at The Angels Restaurant. A wedding cake made by the groom's paternal grandfather, Mr. Frank Ehrhardt of Trevor, Wis., was served following the dinner.

Mr. and Mrs. Ehrhardt will live in Chicago.

The bride is a senior at the National College of Education. The groom is a senior at Vandercook College of Music and a member of Kappa Kappa Psi.

## Antioch Man Wed In Denmark

An Antioch man and a Danish girl were united in marriage August 20 at Solerod Church in Holte, Denmark.

Tiger Kristensen, the daughter of Mr. and Mrs. Michael Kristensen of Holte, Denmark, became the bride of Sigurd L. Nielsen, son of Mr. and Mrs. Sigurd Nielsen, 230 North Ave., Antioch, with the Rev. Sigurd Granild performing the service.

Immediately after the wedding ceremony, the newlyweds surprised the groom's parents with a telephone call.

The groom is a graduate of Antioch High School. He is attending the University of Copenhagen as a graduate student, as is his bride. Both plan to teach after obtaining their master's degree.

Mr. and Mrs. Sigurd Nielsen

## Fall Wedding For Leone Nelson

The wedding of Leone M. Nelson of Antioch and Robert W. Milnichuk of Chicago was held at 5 p.m. September 11 at St. Peter's Catholic Church in Antioch.

The bride is the daughter of Mr. and Mrs. Myrus J. Nelson, of 1054 Victoria St., Antioch. The groom's parents, Mr. and Mrs. Walter Milnichuk, live at 2549 N. Newcastle, Chicago.

The Rev. Fr. Alfred Henderson officiated at the double ring service. The bride was given marriage by her father.

The bride chose a gown of silk organza over tulle, accented with hand-embroidered appliques and French embroidered Alencon lace with a detachable train and A-line skirt. She carried a bouquet of white spider mums with a white orchid in the center.

Mrs. Charles (Shirley) Ehrbach, sister of the bride, was matron of honor. Bridesmaids were Mrs. William (Sandra) Alm, Miss Marlene Milnichuk, sister of the groom, and Mrs. Gary (Cheryl) Reijnen, Karen and Carol Ehrbach, nieces of the bride.

A reception for 350 people was held at the John F. Kennedy Hall in Waukegan, with music supplied by the Rhythm Kings.

After a honeymoon trip to the north, Mr. and Mrs. Milnichuk will live in Beaufort, South Carolina.

The bride is a graduate of Antioch Community High School and attended the Rockford School of Business. The bridegroom graduated from Weber High School in Chicago and attended Loyola University for two years. He is now in the U.S. Marine Corps.

Mr. and Mrs. Robert W. Milnichuk

## Past Officers Night At OES

Antioch Chapter No. 428, Order of the Eastern Star, will observe its Past Officers Night on Thursday, September 22, at 8:00 p.m. in the Masonic Temple on Main St. On this evening of each year the Past Matrons and Past Patrons assume the stations of the regular officers and perform their work.

Officers for the evening will be Edith Elms, Worthy Matron; Joseph Parfitt, Worthy Patron; Martha Hunter, Associate Matron; Ralph Kinrade, Associate Patron; Hazel Parfitt, Secretary; Lillian Gaa, Conductress; Rosalind Keating, Associate Conductress; Charles Vesely, Treasurer; Clarence Larson, Marshal.

Margaret Gaston, Chaplain; Harriet Davis, Organist; Josephine Kirschbaum, Adah; Margaret Pincombe, Ruth; Marion Kleven, Esther; Janice Vesely, Martha; Selma Trieger, Electa.

Herb Pauli, Warder; Walter Schreiber is Sentinel, and Harold Kleven, Color bearer. The Guest of Honor will be Fern Watson.

Mr. and Mrs. Wayne Polsgrove are the Worthy Matron and Worthy Patron of the Chapter and will preside during the business meeting. Mrs. Lillian Gaa is Instructress.

A social hour will follow in the dining room with Dorothy Kahrel as chairman of the refreshment committee.

Cheryl Rychlik

## Wedding Bells In Offing

By Mrs. Bernice Bernau

Mr. and Mrs. Joseph Rychlik, 78 N. Rolling Ridge Lane, Lindenhurst, announce the forthcoming wedding of their daughter, Cheryl, to John Flood, Jr., of Southgate, Michigan.

The groom-elect is the son of Mr. and Mrs. John Flood, Sr., of Southgate, Mich., formerly of Columbus, Ohio. The wedding will take place at the 11 o'clock Mass at Prince of Peace Church on October 8. A reception will be held at Rustic Manor.

Miss Rychlik is a 1963 graduate of Antioch High School. She attended Mount Mary College in Milwaukee for one year and Southern Illinois University in Carbondale for a year and a half.

Mr. Flood is in the Navy

Mr. and Mrs. Felix J. Mazur

## Chapel At Great Lakes Scene of Sept. Wedding

Miss Judy Cunningham became the bride of Felix C. Mazur in a Catholic Mass and candlelight service at All Faith Chapel at Great Lakes Naval Hospital on September 3. Father Daniel E. Finn, chaplain at the hospital, performed the marriage ceremony.

Miss Cunningham is the daughter of Mr. and Mrs. Clifford E. Cunningham, 511 N. Green Bay Road, Waukegan. The groom is the son of Mr. and Mrs. Felix J. Mazur, 95 W. Broad St., Stamford, Conn.

The bride was given in marriage by her father. She chose a floor-length gown of lace over tulle. Her illusion fingertip veil was held by a crown of aurora borealis crystals. She carried a cascade of white carnations, red rosebuds and ivy.

Miss Karen LeGriede of Santa Barbara, California, was maid of honor. She wore blue chiffon over tulle and carried a cascade of white carnations, pink rosebuds and ivy.

Lieutenant Commander Ray T. McDonald, USN, served as best man. Lt. Cdr. John Foltisak and Lt. (jg) Peter Goodwin were ushers. Michael and Christopher Hayes were altar boys.

A reception was held at the VFW Hall in Waukegan. Mr. and Mrs. Mazur are at home in Waukegan after a honeymoon trip to upper Michigan.

The bride is employed as an operating room nurse at Victory Memorial Hospital in Waukegan. The groom is employed as Director of Recreation, Special Services Dept., at the Naval Training Center at Great Lakes.

## Where The Boys Are

ROTA, SPAIN — Airman Apprentice William G. Shelton, USN, son of Mrs. John Bierman of Route 3, Antioch, is serving with the Joint Spanish-U.S. Naval Base at Rota Spain.

The base, the largest Naval Installation in Europe, is responsible for logistic support of the Sixth Fleet in the Mediterranean. Also at the base is an all-weather airfield where aircraft in the Navy can be accommodated and which has as much traffic in a year as any medium-sized city in the United States. The artificial harbor can service nearly every type of Navy ship.

The base, the largest Naval Installation in Europe, is responsible for logistic support of the Sixth Fleet in the Mediterranean. Also at the base is an all-weather airfield where aircraft in the Navy can be accommodated and which has as much traffic in a year as any medium-sized city in the United States. The artificial harbor can service nearly every type of Navy ship.

## Film & Speaker At Fox Lake Church

The Billy Graham film, "Mr. Texas," starring Redd Harper of Hollywood, Calif., will be shown at 7 p.m. Sunday night, Sept. 25, at the Fox Lake Baptist Church. The church is located two miles south of Fox Lake on the frontage road along Highway 12.

Mr. Harper will sing and speak in person each night at the church during the following week and on Sunday, October 2, at 11 a.m. 3 p.m. and 7 p.m.

The week night services will be at 7:30 p.m. with a pre-service "Hymn Sing" at 7:15. Information concerning special features for each evening may be had by calling the pastor, the Rev. John L. Breitholtz at Ju 7-7723.

and has been stationed at Great Lakes the past three years. He is a machine accountant. He is being transferred to Norfolk, Va. the latter part of October. He has one more year of service.

By Lillian Birdsall

Organizer and chairman of the hunting club for the Antioch Moose Lodge, Scotty Birdsall, got the ball rolling Sunday afternoon, Sept. 18, when he had his first meeting for the interested hunters at the Moose Home. An election of officers was held with the results being as follows: President, Leonard Huhn; vice president, Roy Dasko; Secretary, Jerry Kusch and Treasurer, Ed Kurtz.

Gerald Schmitt, who became an honorary member for the newly organized hunting club, has given his permission to the hunters to use his land in McHenry County for their hunting purposes. Mr. Schmitt owns a farm in Johnsburg and is a member of the Antioch Moose Lodge.

A total of 16 members signed up on this Sunday and more are needed so that a charter can be received from Mooseheart and the State. Interested members may contact chairman Scotty Birdsall or any other member on his committee, who are: Delbert Huhn, Kenneth Wolbing and Warren Andre. The next meeting for the newly organized hunting club will be held at the Antioch Moose Home Sunday, October 30, at 3 p.m.

The Traveling Bowling League, which played in Crystal Lake for the opener of the bowling season, won 2 of the 3 games played. The results of the competition with Zion-Benton are unknown at this time, but Captain John Van Ogden will give the results as soon as they are known. The Traveling Bowling League travels to Harvard Sunday, Oct. 2, and team mates Dan Eliech, Jake Valeno, Al Deshies and Robert Hadley are all looking for victory.

Governor of the Antioch Moose Lodge, Richard Jorgensen, who is also a member of the ABC Clown Club and known as Waldorf, did some clowning at the Waukegan Speedway Saturday evening, Sept. 17. He flagged down races from start to finish and Gordy Stahl, proprietor of the races, had Waldorf bend a few hoods on his own before the demolition rages began.

There will be a meeting for the Loyol Order of Moose of Antioch on Wednesday evening, September 28, with the enrollment of new members plus the birthday dinner which honors all members having birthdays in the month of September.

Thursday, Sept. 29, the Senior Regent is giving a dinner for all co-workers taking part in her floor work and the invitation is extended to all members of the College of Regents from the Antioch Chapter.

Pederson and Kisel are chefs for the fish fry for this Friday evening, Sept. 23 and Scotty Birdsall is scheduled for chef on Friday, Sept. 30. Be sure to take the family out to one of these fish fries and see for yourself how good they are.

Housing can be obtained at the Leland Hotel in Springfield, after first paying a registration fee of \$3.00 to Mrs. Mildred Knoles, Department Auxiliary Secretary, 35 East Wacker Drive, Chicago.

Mrs. Lewis Johnson, Zion, Junior Past District Director, reported that a 10th District Auxiliary member received recognition at a recent National Convention of the American Legion Auxiliary, held at Washington, D.C. Mrs. Stanley Degnar of Mundelein, whose original "Poppy Poem" won first prize in the state competition, was given national honorable mention.

There will be a 10th District Rehabilitation Meeting on September 28, at the Shavrin American Legion Home in North Chicago, at 8 p.m. Mrs. John Schultz, District Rehabilitation Chairman, has requested that all Unit Presidents and Unit Rehabilitation Chairmen attend this meeting. The year's schedule of parties for the hospitalized veterans at Downey Hospital will be arranged, and any future activities will be discussed. Since all Lake County Units, as well as the 10th District Auxiliary, take part in this program, it is hoped that there will be a good attendance. Mrs. Ray Rathman, Antioch Unit president, and Mrs. John W.

## Bulb Planting To Be Subject of Garden Club Talk

Members of the Antioch Garden Club will meet at the Antioch Savings & Loan community room at 12:30 p.m. Monday, Sept. 26, for the monthly meeting and dessert. Hostesses will be Mrs. Walter Laurell and Miss Barbara Corbin.

The program will be presented by Ralph's Greenhouse of Round Lake. There will be suggestions on planning and planting fall bulbs for a beautiful spring garden, and information on the interesting hobby of forcing bulbs indoors for late winter bloom.

Horan, Jr., Unit Rehabilitation Chairman, will represent the Antioch American Legion Auxiliary.

## W.S.C.S. To Hold Rummage And Bake Sale On October 21st

The Woman's Society of Christian Service of the Methodist Church, will hold its annual Rummage and Home Bake sale at the Wesley Hall Friday, October 21, from 9 a.m. to 9 p.m.

Lunch will be served at 11 o'clock a.m. and dinner will be served beginning at 5:30 p.m. The public is invited. Rummage may be left at the church at any time.

Michael Bordon

## Baritone To Entertain At Woman's Club

Michael Bordon, baritone, will present "A Wonderful Program of Comedy and Song" at the first meeting and luncheon of the season of the Woman's Club.

The meeting will start at noon Monday, October 3, at Midlane Farms Country Club in Wadsworth.

Michael Bordon sings with equal ease a rousing operatic aria, a tender ballad, a Broadway show tune or a swinging jazz beat.

He has sung with leading opera companies such as the New York City Opera Co., the Teatro Lico of Barcelona, and the Chicago Lyric Opera Co., as well as in top supper clubs.

Mr. Bordon has currently been portraying the role of Nick Arnstein in "Funny Girl" at the Candlelight Dinner Playhouse.

The hostess committee for the afternoon will be the Meslames Norman Jedele, Joseph Horton, William Murphy, James McMillen, Ray Toft, and O. W. Turner.

Marlyce Ann Hanson

## Engaged

Mr. and Mrs. Harvey Hanson, North Ave., Antioch, announce the engagement of their daughter, Marlyce Ann, to Thomas Homan, son of Mr. and Mrs. Russell Homan, Tiffany Road, Antioch.

A winter wedding is planned.

## Social Notes

By Del Jahneke

The Ray Rathmanns of Antioch and the Ray Panzers of Lindenhurst attended the annual Lake County Sheriff's Dance, held at the Chevy Chase, on Friday, Sept. 16.

Mr. and Mrs. Jos. Horton, accompanied by Mrs. Effie Nelson and Mrs. Myrtle Hufendick of Chicago, have just returned from a 1,750-mile trip. They drove up to Lake Superior, and then drove all around this huge lake, especially enjoying the beautiful Canadian scenery. A visit to the Sault Ste. Marie Locks was another highlight of their trip.

Mr. and Mrs. F. A. Swenson, Deep Lake Road, Antioch, had a family dinner party on Sunday, Sept. 18, at their home, with Mr. and Mrs. Francis Swenson, Milton, Wis., the George Swenson family of Greenwood Park, and the Lester Zitkus family of Antioch, all in attendance.

The Michael Ditzig family of Grass Lake were hosts to the Robert H. Dunlap, Jr. family, at a "cook-out" party on September 14.

About the only place you're likely to find mushrooms this fall, says Doc Solar, is some permanently damp spot, such as the Antioch Pool. Maybe Doc is kidding us about picking mushrooms out of the pool, but it's certain the long drought is no joke.

## Hunt Mushrooms? Forget It!

It's been a long, dry summer. And what's the long-range forecast for fall? Dr. Charles (Chuck) Solar, local authority on weather

forecasting, has come up with a fearless forecast for the months ahead. Only time will tell if he's right.

"More of the same," says Doc, insofar as rainfall is concerned. "A beautiful fall, with no cold weather before December 1. But around the end of January, look out! We'll get snows like in the good old days—enough to make up for all this dry weather."

Mushroom hunters might as well stay home this fall, Doc says. There just aren't any. So if you were thinking of roaming around in the woods, seeking the tasty little tubitits, better just plan on viewing the changing colors of the leaves. And don't plan on mushrooms for supper.

If Doc's weather forecast doesn't work out perfectly, he has a good excuse. Normally, he studies mushrooms to determine the course the weather will take; this year, he's handicapped by the absence of mushrooms. And those few that are around aren't doing much talking evidently.

## Veterans Back To Classrooms Under New GI Bill

Thirteen thousand veterans in Illinois and upwards of a quarter million in the nation will be in classrooms by October with the assistance of the new GI Bill, the Veterans Administration estimates.

The Illinois estimate is based on more than 16,000 applications for eligibility already received by the VA Regional Office in Chicago, according to John B. Naser, manager. Mr. Naser explained that this is only a preliminary total, that by next April some 27,500 veterans in the state probably will be receiving educational benefits under the new law. Nationally, VA anticipates a 500,000 peak by next April.

Between 60 and 75 percent of the veteran-students will attend college, with the remainder enrolling in trade schools, or taking correspondence work or completing their high school education.

The average ages of the back-to-school veteran, based on the first group of enrollees attending summer school this year, will be 28. One-half of the G.I. students will have wives.

The basic allowance for a single veteran is \$100 a month for full time training; \$125 for a veteran with one dependent; and \$150 for a veteran with two or more dependents.

## The Old Scouter Says

Come one, come all. We're off and running. Time's a wastin'. Dust off the hiking shoes, put on the khaki and follow the rugged road. Don't be left behind. The '66-'67 program was put in the hands of the unit leaders on Aug. 17 and it's a good one. Northwest District is "shoot-in" for 3000 boys by Dec. 31. Let's go—lots of room in our troops, packs and posts.

We have nine units in the Antioch area.

Pack 80 meets at the Grass Lake School on the 3rd Thursday of the month at 8:00 p.m.

Pack 80—Chappel Lake School—last Wednesday of the month at 7:30.

Pack 192—Scout Home—4th Thursday at 7:30.

Pack 300—Scout Home—Friday at 8:00.

Troop 80—Northern Ill. Conservation Club—at 7:15 each Thursday.

Troop 91—Methodist Church—Thursday at 7:00.

Troop 92—Scout Home—Tuesday at 7:00.

Post 80—Grass Lake School—2nd and 4th Thursday of the month at 7:30.

Post 91—Methodist Church on alternate Thursdays at 7:00.

All unit leaders extend an invitation to come and join.

Fall training courses start Thursday, Sept. 22, at Avon School for all registered Scouters—Cub, Scout, and Explorer courses will be conducted. Are your leaders trained? If not, don't miss this opportunity.

During the summer, Scouts from Troop 91 went to Camp Ma-Ka-Ja-Wan, our council camp near Antigo, Wis. Troop 92 made their annual trip to Canada.

Congratulations to Richard Waring, Post 92, and Charles Waters of Troop 86 for induction into the Order of the Arrow on Sept. 10 at Camp Dan Beard.

Recollections: Sept. 1947 Robert Wilton passed Tenderfoot and became a member of Troop 91.

See ya next week.

THE OLD SCOUTER

## Reason for Patents

The drug industry has been singled out time and again as the subject of proposals to curtail patent rights. A principal argument in support of such proposals is that there would be an immediate reduction in drug prices. This is indeed a weak argument, since drug prices generally have declined, while inflation has pushed the cost of living to new highs. The need of the drug industry for the patent system is increasing. New recent years have greatly increased the testing and cost of a new pharmaceutical before it can be marketed. The patent system must be permitted to provide protection if investments in increasingly costly research of new drug products are to continue.

The president of a major drug concern as spokesman for the drug industry described in 1961 congressional hearings, what patents mean in the case of his company, and as costs have continued to rise, his statement has greater validity and urgency today than ever before. "The value of patents as a stimulus for discovery is clearly understood by those who deal with the issue not in theory but in terms of actual commitments of their company's resources for research. My company is now investing more than \$20 million a year in research and development. I know we could not continue to risk such investments if other manufacturers, domestic and foreign, could share in our discoveries simply by asking, without making any investment in research or any scientific contribution of their own."

The truth of this is easily demonstrated. Since 1941, there have been 366 new drugs introduced in the United States under our strong patent system. In Italy where there are no patents, one drug has been listed, and in the Soviet Union, where there are no patents, new drug listings are zero.

## AIR CHECK OF POLLUTION

Aerial observation to check on pollutional discharges has been added to the continuing water surveillance program of the Illinois Sanitary Water Board.

As part of the current Illinois River study, a board engineer and Illinois Department of Public Health photographer made an aerial surveillance and photographic flight over the river. Several sources of pollution were observed.

Clarence W. Klassen, technical secretary of the board, said that the aerial surveillance technique using color film is effective for spotting many types of pollutional discharges not always visible from the ground. This method is especially effective in detecting discharges from industries.

The board's technical staff will make a periodic aerial surveillance of the Illinois River.

## New Angle

First fisherman: "I tell you it was THAT long! I never saw such a fish."

Second fisherman: "I believe you."

## Armondo Protests Water Pollution

Lake County is turning into one huge septic tank and measures must be taken to prevent this from occurring, Fox Lake Mayor Joseph Armondo said recently.

Armondo, Democratic candidate for State Representative in the 31st District in the Nov. 8 election, speaking at a meeting of more than 40 persons at Mark's Castle, Rtes. 45 and 173, told the group that:

"I have been working on the problem for a long time, but our legislature has been lax. Now I have the opportunity, when elected in November, to further legislation that would curtail the pollution of our lakes and streams."

Armondo pointed out that he was instrumental in the government setting aside the money to create a system of controls on the Fox River from the Wisconsin state line, to help alleviate the flooding problem in the area.

"Someone in Springfield is always passing the buck when you bring up such problems as flooding and pollution," he said.

"There is only one way to defeat this problem in our county and that is to work for legislation creating the necessary tools."

He also said that laws are being passed today apparently to protect the undesirable in our communities.

"The fact is that today a policeman isn't allowed to even question a person unless he is apprised of all of his so-called rights," he said, "even though the officer knows that the crime was committed by the person in custody."

"We must work for legislation that would give the decent citizens protection against such laws."

Armondo also came out against an income tax in any form.

"I am sure that ways can be found to raise revenue that would allow our government to operate," he said. "I want to be one of those who will work towards that end."

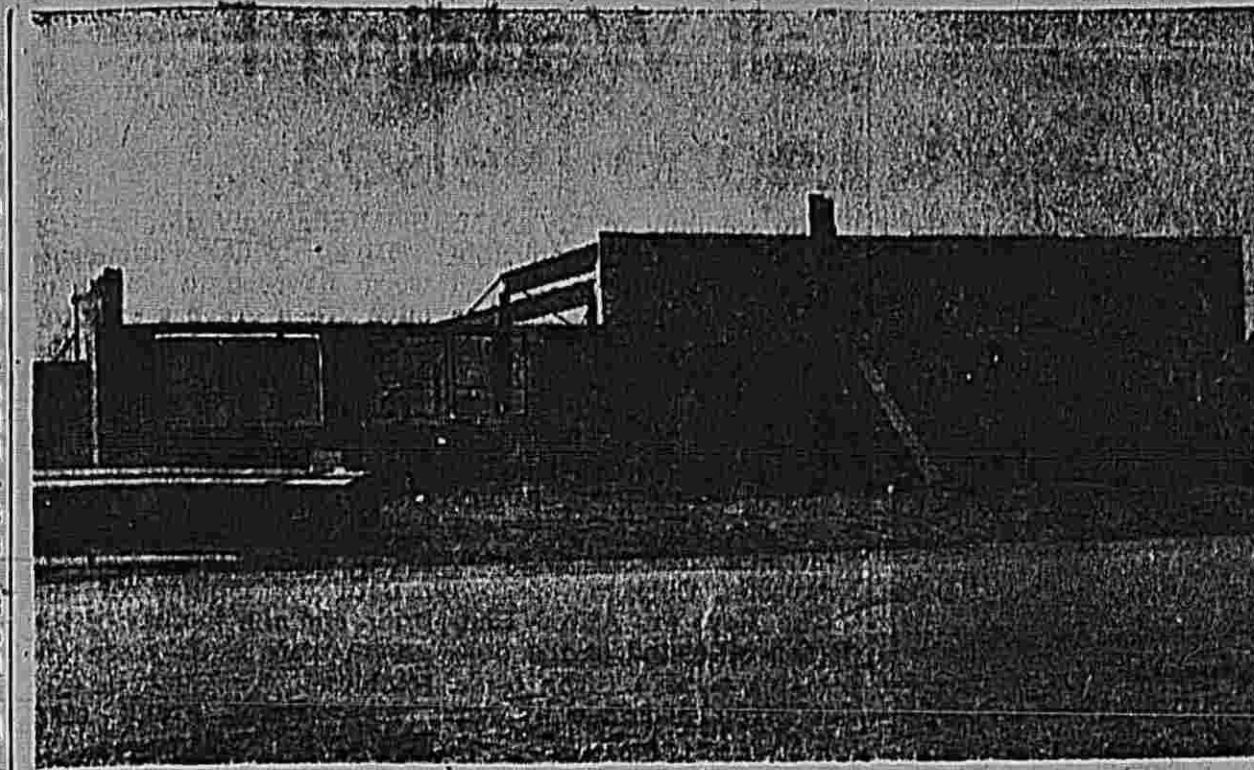

Armondo, a successful businessman and civic leader, entered the race upon the withdrawal of Rep. William Hartnett. He was selected from a field of 28 persons.

He is an organizer and former director of the Fox Lake State Bank, a past vice president of the Lake County Municipal League and past commander of the U. S. Coast Guard Auxiliary.

## OUTDOOR LIVING

An old freight conductor on his 50th wedding anniversary told the story of how his wife cured him of a once terrible temper.

"We had been married just about three months when I came home hungry, only to find burned food on the table. Mad as could be, I threw my plate out the window. My wife resitated for only a fraction of a second and then she grabbed up the serving dishes, knives, forks, spoons, cups and saucers and even the tablecloth and threw them all out of the window. Then she propped her hands on her hips and declared: 'It's all right with me—only next time you should tell me ahead of time if you want to eat in the garden!'"

Another business moves into Antioch's Industrial Acres. Quadrielle, Inc., will move into this building on its completion.

## BUY NOW AND PAY LATER? PAMPHLET OFFERS ADVICE

The Illinois State Bar Association recently announced publication of a pamphlet which it said would help people decide whether they can afford to buy merchandise on the time payment plan.

"Buying 'On Time' or 'On Credit' has become a way of

## First Meeting of Year For KCEA

The Kenosha County Education Association starts its 107th year of service to education in the Kenosha County area September 28, with a pot luck dinner and get-together at Riverview School in Silver Lake.

The KCEA is a local chapter of the Wisconsin Education Association and has the voting representation in the WEA Assembly for all Kenosha County teachers outside of the Kenosha city school district.

life in America," the ISBA observes in "Buying on Time," the name of the newly revised pamphlet. It goes on to say:

"The invitation to 'buy now and pay later' under the longer term credit programs is an attractive one. But keep in mind that (1) interest charges and other 'carrying charges' or 'service charges' do mount up; (2) installment payments, added to your other purchases, may put your budget under a strain."

Credit sales contracts or "security agreements" are subject to the Retail Installment Sales Act, the pamphlet notes. It lists these important provisions of the Act:

1. The seller must list on the sales contract the actual cost of purchased goods, the interest or carrying charges, insurance costs and other charges.

2. The words "Retail Installment Contract" must appear in bold print both at the top of the sales contract and directly above the space provided for the signature of the buyer.

3. The contract must contain a "Notice to the Buyer" in which the buyer is warned NOT to sign the contract before he reads it or if it contains any blank spaces. The words "Notice to the Buyer" must appear in large print.

4. The purchaser is entitled to a filled-in copy of the contract as soon as he has signed.

5. The purchaser may pay off the debt in full at

any time prior to the expiration of the credit term. If the purchaser gives the holder of the credit paper five days notice of his intention to pay off the balance, he is the credit charge.

6. If he falls behind in his payment, and the merchandise is repossessed by the creditor, the purchaser may redeem the goods by paying the balance of his debt in full.

Free copies of the pamphlet "Buying on Time" are available on request to: Illinois State Bar Association, Box 2360, Springfield, Ill.

## Holy Name Sets Golf Outing Date

The first meeting of the Holy Name Society of St. Peter's Church following summer vacation gave the Holy Name men an opportunity to officially meet their new spiritual director, the Rev. James P. Prendergast. The meeting was held Sept. 14.

Final plans were made for the annual golf and dinner outing being held again this year at Spring Valley Country Club on Sept. 25, with a buffet dinner following at Lorenz's Country House. Chairman Richard Daniel promises "Fair Weather," "Good Golfing" and an "enjoyable dinner and evening" for all Holy Name men and their wives who attend.

Sunday, Oct. 9, has been designated "Holy Name Father and Daughter Communion Sunday" with a breakfast immediately following the 8 a.m. Mass. Chairman Sam Lombardo's daughter Pat will organize the entertainment this year.

## OES SPONSORS SMORGASBORD

Antioch Chapter No. 420, Order of the Eastern Star, will serve its second annual Ham and Turkey Smorgasbord Dinner Sunday, September 25, at the Masonic Temple on Main Street. The dinner is open to the public and will be served from 12 to 3 p.m. Tickets may be obtained from any officer or at the door.

## ICE CREAM SOCIAL AT EMMONS SCHOOL

The Emmons Grade School Parents club plans to hold an ice cream social Friday, September 23, at the school. Serving will be from 5:30 to 8:30 p.m. Cake, ice cream, pop and coffee will be served.

Maybe it's just a coincidence, but man's best friend can't talk.

## Announce Marriage

Mr. and Mrs. Edward H. Jahnke, rural Antioch, announce the marriage on September 8th, of their son, Edward, Jr., to the former Miss Patti Wich, daughter of Mr. and Mrs. Russell Welch of Round Lake. The newlyweds are residing in the Channel Lake area.

## Mothers Club To Host Carmel Faculty

Special guests of Carmel High School Mothers Club at their first meeting, September 27, will be the faculties of both the girls' and boys' schools. All mothers of Carmel students are invited to come to the school cafeteria in Mundelein at 7:45 p.m. Tuesday evening.

According to Mrs. Ernest Washburn, President, the high point of the meeting will be the introduction of the girls' faculty by Sister Mary Cecil, B.V.M., Principal; and of the boys' faculty by Rev. Fergus Lickteig, O. Carm. Principal.

The program for the 1966-67 term will be outlined and a special welcome extended to the new Carmel mothers by the co-moderators, Sister Mary DePores, B.V.M., and Sister Bernard Ann, B.V.M., and the executive board members.

## Salad Luncheon And Card Party

The Richmond-Garden Club of Richmond will hold their annual Salad Luncheon and Card Party on Wednesday, October 5, at Hunter Country Club located on Route 173, East, in Richmond.

A salad buffet luncheon, prepared by the members, will be served from 11:30 a.m. to 1:30 p.m. Cards, of the players' choice, will follow the luncheon. There will be table prizes. Added feature will be Fashions by Gaye Apparel Shop of Richmond.

Proceeds of the luncheon are used for civic decorating projects such as plantings at the schools, hanging flower baskets in the village and Christmas decorations.

## ALTAR & ROSARY SOCIETY MEETS

The first meeting of St. Peter's Altar & Rosary Society was held Sept. 12. Miss Eileen Teasdale, graduate of Mundelein College, gave a comedy reading depicting the lives of three career women.

Refreshments were served by Helen Nolan, Cecil Geist, Pat Schreiber, Terry Manning, Evelyn Sedivec, Nancy Traves and Marge Berger. Ruth Reband was chairman.

Ladies who celebrated birthdays were Jeanne Needham, Jessie Paddock, Vene Cernak and Peg Harrison.

## MOOSE SLATE CHICKEN AND CORN ROAST

The Fox Lake Moose will hold their 3rd annual Chicken and Corn on the Cob Roast Saturday, Sept. 24 at the Moose Hall at 11 Nipper-sink, Fox Lake, from 5 p.m. to 9 p.m. Diners will be served all they can eat.

The Fox Lake W.O.T.M. have scheduled their Fish Frys for the first and third Fridays of every month.

The publicity committee of the Fox Lake Moose held a card party Wednesday, Sept. 14.

## SWIM CLUB TO HOLD BAKE SALE

The Antioch Aqua Center Swim Club will hold a bake sale Saturday, Sept. 24 at the Lyons & Ryan show room starting at 9 a.m.

## No Delay In Refunds To Families of Servicemen

Wives of servicemen in Viet Nam will not have tax refunds delayed because of a missing signature on joint returns according to E. C. Coyle, Jr., District Director of Internal Revenue Service.

Contrary to implications in recent press reports of difficulty encountered by the wife of an American POW in Viet Nam, Coyle said, it is IRS policy and practice to give special consideration to military personnel and their families.

On a Federal income tax return, the wife of an overseas serviceman has only to indicate absence of income in the space provided for her husband's signature that he is in fact in the

military service in Viet Nam and the return will be processed. Refunds due on these returns will be expedited.

Mr. Coyle also said that servicemen in Viet Nam have an automatic extension of time for filing Federal income tax returns. The due date for returns is postponed for the period of service in Viet Nam, plus 180 days. No penalty or interest is charged on returns filed in the 180-day period.

The Revenue Service frequently cannot determine from its records that a tax-

payer is serving in Viet Nam. If the wife of a Viet Nam veteran receives a bill, notice, or inquiry from IRS, she has only to contact the nearest IRS office to be afforded every possible consideration and assistance in tax matters.

Abraham Lincoln, as attorney for the state board of education, drew up the first papers signifying establishment of Illinois State University as the first public institution of higher learning in Illinois.

## DEATH NOTICES

### HARRY H. PAASCH

Mr. Harry H. Paasch, 64 years old of Rt. 1, Bristol, Wis., passed away at 7:45 a. m. on Monday, Sept. 19, at Kenosha Memorial Hospital after a short illness. He was born January 6, 1902 in Bristol Township and had resided there all his life. He married Theresa Greenwald on Feb. 22, 1933 at Wilmet.

Mr. Paasch was a member of Faith Ev. Lutheran Church of Antioch. He had been employed at Ladish Co. Triclover Division in Kenosha for the past 17 years.

He was preceded in death by one brother, Frederick C. Paasch on October 23, 1956.

Survivors are his wife, Theresa; two sons, Dennis, Lily Lake, Wis., and Larry, of Bristol; one daughter, Mrs. Harold (Nancy) Levandoski, Drummond, Wis.; 3 brothers, William, of Kenosha, John, Salem, and Herman Paasch, Silver Lake, Wis.; 3 sisters, Mrs. Nancy Huffman, Mather, Wis.; Mrs. Vera Baber, Antioch; Mrs. Leta White, Russell; 3 grandchildren.

The body rested at the Strang Funeral Home in Antioch until Wednesday noon. Funeral services were held at 2:00 p.m. Wednesday in Faith Ev. Lutheran Church

at Antioch. Pastor David Ponath of that church officiated at the services. Interment was at the Hosmer Cemetery, Bristol, Wis. Memorials may be given to Faith Ev. Lutheran Church.

### FRED WILLIAM FRANK

Fred William Frank, 66 years of age, died Sunday, Sept. 11, at the Rehabilitation Center at Half Day, Ill., following a lingering illness.

Mr. Frank was born May 6, 1900 on the Tecumseh farm, near Antioch. He was a member of Peace Lutheran church at Wilmet, Wis. He lived at Wilmet until going to Wheeling, where he was employed at the National Brick Yard.

He was united in marriage with Josephine Schmidt, July 19, 1924.

Survivors are his wife, Josephine, a daughter, Mrs. George Poremski of Wheeling, two brothers, Eugene of Burlington and Herman of Wilmet, a sister, Mrs. Frank (Mollie) Zarnstorff, two granddaughters and a grandson.

He was preceded in death by his parents, John and Ida (Ehler) Frank, two sisters, Henrietta Cosmin and Ida Swenson.

Funeral services were held Tuesday in Wheeling. The Rev. George Enderle of Peace Lutheran Church officiated. Interment was in Wilmet Cemetery.

### ELMER A. DAVIS

Mr. Elmer A. Davis, 74 years old of Drexel Blvd., Indian Point near Antioch, passed away at 5:25 p.m. on Saturday, September 17, in Victory Memorial Hospital after a lingering illness. He was born Sept. 10, 1892 in Chicago where he resided until moving to Indian Point in 1946. He was a retired Electronic Inspector for the U. S. Signal Corps in Chicago by occupation. He married Mary Gallagher on Oct. 7, 1916 in Chicago and she preceded him in death on July 3, 1964.

Survivors are two sons, Arthur H. Davis, Arlington Heights; Roger Hall Davis, at home; two grandchildren, Jeri and James Davis, Arlington Heights.

Funeral services were held

## THE ANTIOCH NEWS 6

THURSDAY, SEPT. 22, 1966

### Additional Benefit Due Children of Some Veterans

A \$150 educational benefit is available to children of permanent and totally disabled veterans and children of certain deceased veterans according to Edward B. Akin, Administrator of the Illinois Veterans' Commission.

The benefit is payable if the child is between the ages of 10 and 18, is presently attending school, attendance is certified by the principal of the school that the child is attending and application is made to the Illinois Veterans' Commission.

The Illinois Veterans' Commission urgently requests that application be submitted as soon as possible.

For further information H. D. Blackwell, Service Officer of the Illinois Veterans' Commission at 108 So. Genesee St. in Waukegan.

### Local Cattle Lead In Show

A Scottish Shorthorn heifer, owned by Tempel Farms, Village of Old Mill Creek, Wadsworth, was named Reserve Grand Champion of the West Central Illinois Short-horn Breeders' Show & Sale recently.

Temple Sue Wimple 2nd, a white, spring yearling, brought the second highest price of the sale.

Another Tempel Farms Shorthorn, Tempel Justifier, placed first in the Spring Yearling Bull Class.

A total of 87 Shorthorn cattle were shown at the Princeton show, which is recognized as the strongest district Shorthorn sale in the nation.

A small potato has food value equal to a slice of bread.

at 3:00 p.m. Tuesday at the Strang Funeral Home in Antioch. Rev. Theodore Besette of St. Ignatius Episcopal Church officiated at the funeral. Interment was in Grass Lake Cemetery.

### Schedule Tests For Academy Candidates

Senator Everett McKinley Dirksen (R), Illinois, announced today that a written preliminary examination will be conducted on Saturday, November 5, for candidates seeking appointment to West Point, Annapolis, the Air Force Academy, and Merchant Marine Academy, for classes beginning July, 1967.

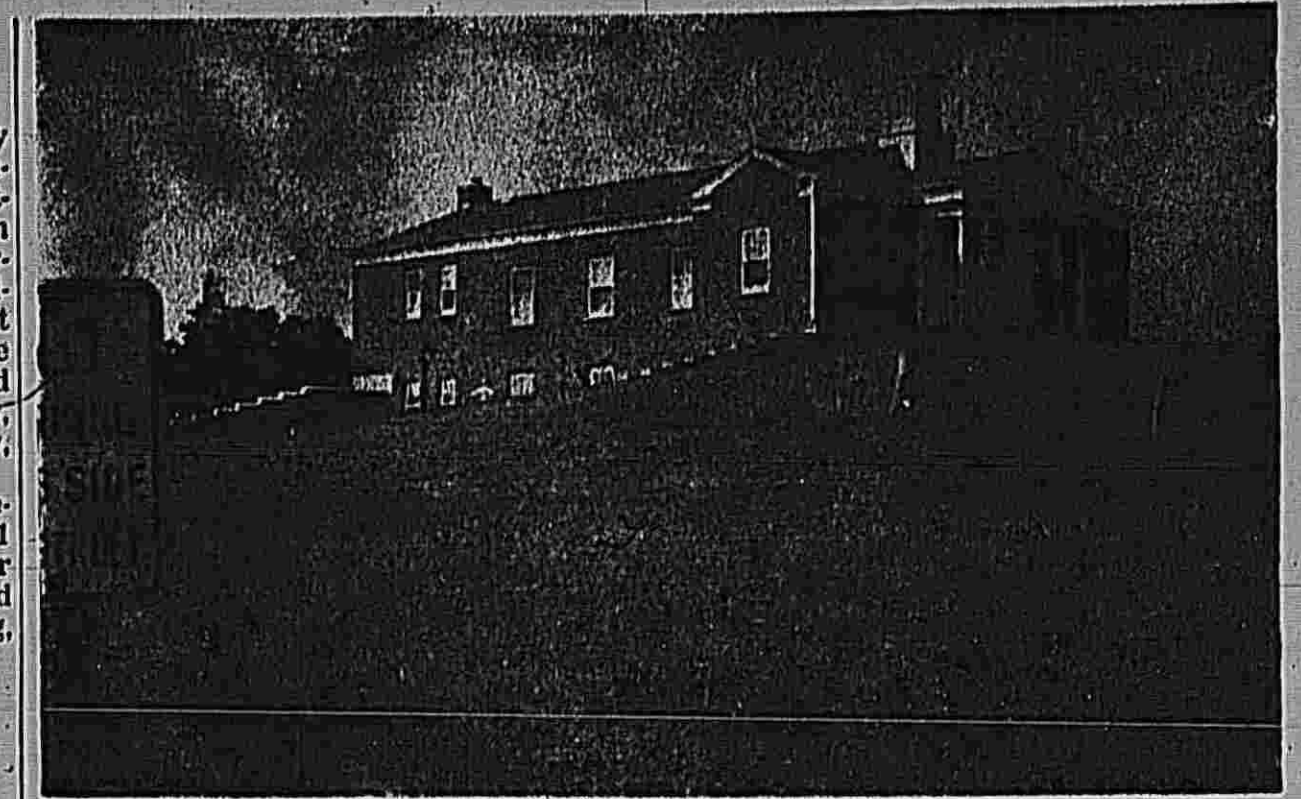

Interested young men between the ages of 17 and 21 should write before October 1, 1966, to Room 204, Old Senate Office Building, Washington, D. C.

### Harriers Have 4-0 Record

Antioch's Varsity Cross-Country team is doing a bang up job this year, having scored 4 wins and no losses.

The Sequoit harriers have met the four teams in three meets—North Chicago at North Chicago on Tuesday, Sept. 13; Carmel and Dundee at Antioch on Thursday, Sept. 15, and Lake Zurich at Lake Zurich Sept. 19.

Antioch came out of the North Chicago meet with a score of 19 to North Chicago's 43 (low score is winner). Blaine Backman was the top runner for the Antioch team.

The new First Church of Christ, Scientist, affords a commanding view of the countryside.

In the three-way meet at Antioch last week, the scoring was Antioch 27; Dundee 35 and Carmel 75. Backman led the Antioch harriers again and set a new course record for Antioch on the home course of 10 minutes, 45 seconds for the 2 miles.

Antioch emerged winner of the Lake Zurich meet with a perfect score—Antioch 15, Lake Zurich 50. Blaine Backman was again leading runner for the Sequoit. Other leading runners on the Sequoit team are

Tom Doolittle, Tim Maier, a sophomore, Bob Biaggi and Bill Effinger. Other varsity runners doing a good job, Coach Mueller said, are Mike Polley and Lynn Barthel.

### SOPHS ON WINNING ROAD

The Sophomore cross country team has had 3 wins and 1 loss this season so far. The lone loss was to Dundee, while they defeated North Chicago, Carmel and Lake Zurich.

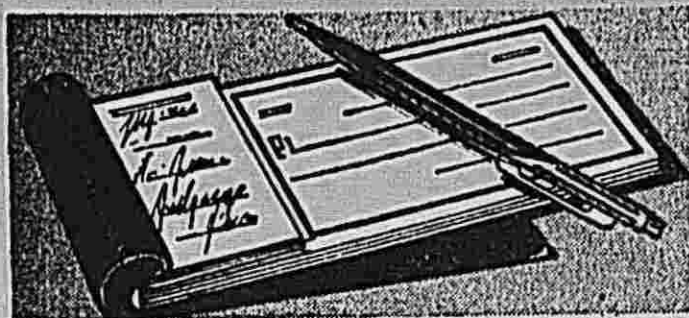

Chuck Denman is top runner for the sophs, having won all four races.

Illinois State University in Normal was the site of the first high-rise college residence hall in Illinois. They are now found on every state college campus where there are resident students. ISU presently has the tallest, with two at 18 stories. The university houses more than 5,000 students in 14 residence halls.

Pony men of the Pony Express used to travel from Missouri to California in 10 days.

## ANTIOCH COMMUNITY HIGH SCHOOL ADULT EVENING SCHOOL 1966 — FALL TERM — 1966

TEN WEEK SESSION BEGINS SEPT. 26, 1966

### ★ OFFERING ★

#### Counseling in Continuing Education —

Available by appointment, here is an opportunity to plan a continuing education program for any person with the help of a professional guidance person. Call the Adult Evening School Director, 395-1421.

#### Bridge —

Beginners, learn without embarrassment! Ask any questions! Enjoy the friendly, easy-to-follow, analysis of bidding, leads, etiquette, etc. Supervised play combined with sympathetic instruction. Enroll your foursome at once to insure a place. Required - 1 bridge deck, a pencil, and a small note book. Library, Tuesdays, \$10.00.

#### Drawing and Painting —

This course involves beginning drawing and develops into working with oils. Basic shapes, values, perspectives and composition are emphasized. A study of various techniques and color mixing in oils is included. An enjoyable and satisfying course for the beginner. Room 107, Tuesdays, \$10.00.

#### Intermediate Art —

For those who have had a basic course. Branch in to new fields (including ceramics, pottery, new art forms, etc.) according to your interest. Advanced drawing and painting included. Room 107, Mondays, \$10.00, plus materials.

#### Books and Coffee —

This course promises to provide a most stimulating and worthwhile contact with many of the best books available. Sessions will be lively and informal. (You are not required to read the books.) Room 209, Tuesdays, \$10.00.

### ☆☆☆ BE FIT — HAVE FUN . . .

#### Adult Recreation Program —

Have fun! Bring your friends! Learn and play a multitude of recreational sports including badminton, shuffleboard, ping pong, volleyball and aerial darts. Girls' Gym, Wednesdays, \$10.00.

#### Physical Fitness —

This is a course for the person with the "battle of the bulge" problem who wishes to reduce, and for the person who merely wishes to be physically fit at all times. For men and women. Girls' Gym, Mondays, \$10.00

#### Sports Appreciation (Possible New Course)

Men - learn how to watch athletic contests with more understanding.

Women - Don't be a sports widow, learn to understand and enjoy athletic contests, rather than be left at home by your husband.

A study of major sports; definitions, rules, strategies, and nomenclature. Mondays, Room 117.

#### Ballroom Dancing —

Learn the newest steps. Through graduation in the latest variations. Enroll as a couple or singly. Wednesdays, Cafeteria, \$10.00.

### ☆☆☆ LANGUAGES (All New!)

#### Conversational Spanish (beginning)

For those who would become travellers or students. Latest electronic equipment. Mondays, Rm. 201, \$10.00.

#### Conversational German (beginning)

Another course for the prospective traveller, student — or for the intellectually curious. Latest, electronic equipment. Mondays, Room 202, \$10.00.

All courses require a \$10.00 fee - Shorthand \$15.00

#### REGISTRATION

1. Send complete information and fee by mail.

2. Send information - pay when class meets.

3. Phone in information - pay when class meets.

4. Register in H. S. office, Monday thru Friday 7:30 - 4:00.

5. Evening Registration - Sept. 21 & 22 7 p.m. - 8:30 p.m.

Minimum Enrollment - Ten per Class

# Sequoits Roll Over St. Mary's, 33-6

The Antioch Sequoits were slow in getting started last Saturday, but when they got rolling late in the second quarter, they rolled over St. Mary's of Burlington to a 33-6 victory.

The first football game of the season for the Sequoits was played on their home field, Saturday (Sept. 24), the Sequoits will face a Grant team smarting from a 35-13 defeat at the hands of Libertyville's Wildcats last week.

Ty Walls did yeoman work for the Antioch team Saturday, tallying three touchdowns and running the point-after-touchdown across the line three times. End Steve Loblillo ran 28 yards after picking up a fumble for a TD, and halfback Jim Litchfield scooted 56 yards to a TD.

The first quarter was marred by fumbles and penalties by both sides and ended with both teams scoreless. Early in the second quarter, St. Mary's Charlie Schneider intercepted a pass thrown by Don Zeman and raced 25 yards for the first TD of the game. St. Mary's failed to make the PAT and the score was 6-0.

Late in the second quarter, Antioch received a punt on their own 43-yard line, and after 7 plays Walls plunged over from the 3-yard line for the Sequoits' first TD. Walls ran the ball over for the PAT and the quarter ended Antioch 7-St. Mary's 6.

Antioch added 20 more points to their score in the third quarter. Steve Loblillo picked up a fumble and ran 28 yards for Antioch's second TD, and Walls again ran the PAT to make the score 14-6.

Antioch kicked off to St. Mary's and after 2 plays that netted 2 yards for St. Mary's,

Walls intercepted a pass and ran 25 yards for his second TD. Hansen's plunge for PAT was no good and the score stood 20-6.

Jim Litchfield ran 56 yards for Antioch's third touchdown of the quarter and Walls plunged across for the extra point, 27-6.

Walls added the final touchdown in the fourth quarter with a 6-yard run. The PAT failed, and the score stood Antioch 33, St. Mary's 6.

Thirty-eight Sequoits saw action Saturday, with Coach Nelson clearing the bench in the 4th quarter. Junior quarterback Gregg Drijie passed to Fred Grass for 37 yards. Gregg hit Bill Nader for 6 yards and the game ended with Antioch in control of the ball on St. Mary's 26-yard line.

Coach Nelson praised the work of linebacker Tyrone Walls, end Wayne Hansen, middle guard Alan Osterlund and end Steve Loblillo in Saturday's game. Antioch attempted 15 passes in the game and completed 8. They gained 272 yards in rushing plays, committed four fumbles and were penalized 50 yards.

Saturday's ball game with Grant should see the air filled with football. Grant has a passing offense and an above average quarterback and passer in Steve Spencer. They have sound receivers and good size in the line, including a 240 pound tackle, sophomore Tom Murrey.

Coach Nelson says, "We look for a close game. Antioch will be practicing on its pass defense this week."

## Jaycees Slate Trap Shoot

Sharpshooters will get a chance to win cash next Sunday, Sept. 25, at a trapshoot sponsored by the Lake Region Jaycees.

The shooting will start at 9 a.m. and run throughout the day. It will be held at the Northern Illinois Conservation Club grounds on Rte. 173, three miles west of Antioch.

Refreshments will be available on the grounds.

## Cossman Nips Borgan, Takes Fifty-Lapper

Jim Cossman and Dennis Borgan battled right down to the wire Saturday night at the Waukegan Speedway in the thrilling 50-lap feature. Cossman just winning on the final half lap. Speed, action and excitement were the order of the evening as a good-sized crowd turned out in the chilly weather.

The feature shaped up to be a real thriller as some of the hot dogs wound up at the front of the pack, so the rest of the contenders had to shoot through quick. Jack Ester jumped into the lead at the start, but Dan Kalous and Bob Kelly were in hot pursuit. Kelly stepped into Bill Hollis' No. 12 after having mechanical troubles in his heat.

Kalous and Esther took turns leading until the two tangled at the end of five laps right at the finish line. With cars flying every-which-way, Kelly spurred into the lead, while Kalous and Ester slammed into the wall, Ester's car being badly damaged.

Odell Jones and Jim Cossman closed in on the front running Kelly, Jones dashing into top spot on the twentieth lap. Jones appeared to have the race well in hand when he tangled with two cars he was lapping and slowed momentarily. Seconds later, Cossman maneuvered into the lead and Borgan was right on his back bumper.

Cossman and Borgan battled bumper-to-bumper for the last twenty laps to the delight of the crowd. As the two received Frank Pinter's white flag, Borgan shot to the outside and soared into the first turn at full tilt in one final attempt to capture the lead. Borgan did move slightly ahead, but Cossman held the inside track and won the sprint down the backstretch and into the final turn to record another victory. Jones recovered for third.

This major win boosted Cossman 20 points ahead of Borgan, the defending champion, in the torrid late model race. Late model races are scheduled to continue at Waukegan into October.

Linda Cerny returned after rolling over two weeks before in the powder puff derby and recorded her first win in that event. Pete Jeffrey hopped into Linda's car then and fought to a draw with Butch Anderson in the demolition as they crashed together so hard that it took several wreckers to separate them.

**HARRIS TAKES SUNDAY FEATURE**

Duane "Whitey" Harris and Dennis Borgan both made steps in the direction of taking over the point leads in their respective divisions as they both turned in stellar performances Sunday night at the Waukegan Speedway.

Ron Larsen took command of the feature, but by the tenth lap, Fran Ansell, Harris, Reimer and Bill Klein were hot on his trail. Just before the half-way signal, Harris shot into the lead and was not to be headed.

Reimer was into second moments later but couldn't close the gap on Harris with his strange car. Larsen held on for third with Ansell winding up fourth.

Jim Cossman turned in a blistering 17.81 time trial in his division—leading Chevy II, but it was Borgan all the way in the heat race.

Cossman challenged right until the end, pulling inside Borgan as the two sprinted

## Teal Season Opens

The season for blue-winged and green-winged teal opened Saturday, Sept. 17, and will extend through Sunday, Sept. 25.

The daily limit is four teal and the possession limit is eight, except on opening day when both limits are four. Hunting hours are from sunrise until 5 p.m., CST (6 p.m. CDT).

Eight hundred permittees have been sent wind sampling envelopes and Fish and Wildlife Service personnel hope that teal wings will be returned promptly after the Sept. 25 closing. Information gained from wing studies aids in management of teal.

Hunters must have a valid 1966 hunting license and hunters 16 years old or older must have a federal waterfowl hunting stamp.

## Lally Trap-Shooting Champ At McHenry

The McHenry Sportsmen's Club 1966 Trap-shooting Championship was garnered by Joseph Lally of McHenry, at the annual picnic, Sunday, September 11. Shooting a crisp 48, he outdistanced all of his rivals to capture the crown. But from here on down was fought the closest contests in club history for the remaining trophies.

There was a three-way tie for second place, with Ed Koepke, McHenry, John Temple, Cary, and Tom Camp, Chicago, with 46. In a close shoot-off Koepke took second place, Temple third

and Camp wound up in fourth place.

The Ladies' Championship was won by Jean Matousek, Park Ridge, with a 37 score. Betty Van Den Berge, Mundelein, took second with 35 as Mary Hamrick, Woodstock, latched on to third with 31.

Jimmy Koepke, McHenry, walked off with the Junior crown, shooting a smart 42. Paul Manz, Fox Lake, took second, and Mike Camp, Chicago, came in third while Jimmy Hamrick, Woodstock, was fourth.

To put the frosting on the shooters' cake, club officials will kick off the Fall shooting season with a Turkey Shoot. Juicy young gobblers will be the main prizes of the day for the lucky gunners. Also on tap are prizes during the day's shoot will be tender chickens and aged steaks.

To make certain that all shooters have equal opportunity to bag their fair share of the meat, even the less accurate ones, white bird contests will be on the day long program. There will be 5, 3, 2 and single white bird shoots. In this type of contest a white bird is thrown from the trap house at unknown intervals, and the shooter who bags it gets a prize. If it is missed, another is thrown until someone shoots it down. This is in addition to the prize for high score. In a 5 White Bird shoot, for example, there will be six prizes; five for breaking white birds and one for high score.

Annie Oakley and Protection shoots will be included in the day's program of events, as will practice shooting. The public is invited to take part in the shooting.

Following is the complete box score of the Championship Shoot:

1st—Joseph Lally, McHenry, 48; 2nd—Ed Koepke, McHenry, 46; 3rd—John Temple, Cary, 46; 4th—Tom Camp, Chicago, 46.

Class B (7-way tie): 1st—Ken Glass, Wildwood, 41; 2nd—Jim Newcomb, Lake Bluff, 41; 3rd—Len Huhn, Ingleside, 41.

Class C (2-way tie): 1st—William (Gunsmoke) Heims, Lake Zurich, 35; 2nd—B. Van Den Berge, Mundelein, 35; 3rd—John Pugh, McHenry, 34; 4th—George Manierre, Lake Forest, 34.

Ladies' Event: 1st—Jean Matousek, Park Ridge, 37; 2nd—Betty Van Den Berge, Mundelein, 35; Marge Mamrick, Woodstock, 31.

Junior Event: 1st—Jimmy Koepke, McHenry, 42; 2nd—Paul Manz, Fox Lake, 33; 3rd—Mike Camp, Chicago, 33; 4th—Jimmy Hamrick, Woodstock, 20.

For the Turkey Shoot, traps will open at 11 a.m. and run until dark. Hot refreshments are on tap all day long in the club house, which can be reached from the east via Route 134, Big Hollow Road to its western

terminus, then a right turn for one-half mile to the club grounds. From the west the route is through Johnsburg, across the Fox River to Adams Service Station, then a left turn. From McHenry, north on Chapel Hill Road with a right turn at Adams Service Station.

Good visibility is essential to safe driving. Never drive even short distances if the windshield and windows of your car are not free of insects, road film, and other dirt accumulations. Remember, you have to see danger in order to avoid it.

## Lally Trap-Shooting Champ At McHenry

The McHenry Sportsmen's Club 1966 Trap-shooting Championship was garnered by Joseph Lally of McHenry, at the annual picnic, Sunday, September 11. Shooting a crisp 48, he outdistanced all of his rivals to capture the crown. But from here on down was fought the closest contests in club history for the remaining trophies.

There was a three-way tie for second place, with Ed Koepke, McHenry, John Temple, Cary, and Tom Camp, Chicago, with 46. In a close shoot-off Koepke took second place, Temple third

and Camp wound up in fourth place.

The Ladies' Championship was won by Jean Matousek, Park Ridge, with a 37 score. Betty Van Den Berge, Mundelein, took second with 35 as Mary Hamrick, Woodstock, latched on to third with 31.

Jimmy Koepke, McHenry, walked off with the Junior crown, shooting a smart 42. Paul Manz, Fox Lake, took second, and Mike Camp, Chicago, came in third while Jimmy Hamrick, Woodstock, was fourth.

To put the frosting on the shooters' cake, club officials will kick off the Fall shooting season with a Turkey Shoot. Juicy young gobblers will be the main prizes of the day for the lucky gunners. Also on tap are prizes during the day's shoot will be tender chickens and aged steaks.

To make certain that all shooters have equal opportunity to bag their fair share of the meat, even the less accurate ones, white bird contests will be on the day long program. There will be 5, 3, 2 and single white bird shoots. In this type of contest a white bird is thrown from the trap house at unknown intervals, and the shooter who bags it gets a prize. If it is missed, another is thrown until someone shoots it down. This is in addition to the prize for high score. In a 5 White Bird shoot, for example, there will be six prizes; five for breaking white birds and one for high score.

Annie Oakley and Protection shoots will be included in the day's program of events, as will practice shooting. The public is invited to take part in the shooting.

Following is the complete box score of the Championship Shoot:

1st—Joseph Lally, McHenry, 48; 2nd—Ed Koepke, McHenry, 46; 3rd—John Temple, Cary, 46; 4th—Tom Camp, Chicago, 46.

Class B (7-way tie): 1st—Ken Glass, Wildwood, 41; 2nd—Jim Newcomb, Lake Bluff, 41; 3rd—Len Huhn, Ingleside, 41.

Class C (2-way tie): 1st—William (Gunsmoke) Heims, Lake Zurich, 35; 2nd—B. Van Den Berge, Mundelein, 35; 3rd—John Pugh, McHenry, 34; 4th—George Manierre, Lake Forest, 34.

Ladies' Event: 1st—Jean Matousek, Park Ridge, 37; 2nd—Betty Van Den Berge, Mundelein, 35; Marge Mamrick, Woodstock, 31.

Junior Event: 1st—Jimmy Koepke, McHenry, 42; 2nd—Paul Manz, Fox Lake, 33; 3rd—Mike Camp, Chicago, 33; 4th—Jimmy Hamrick, Woodstock, 20.

For the Turkey Shoot, traps will open at 11 a.m. and run until dark. Hot refreshments are on tap all day long in the club house, which can be reached from the east via Route 134, Big Hollow Road to its western

terminus, then a right turn for one-half mile to the club grounds. From the west the route is through Johnsburg, across the Fox River to Adams Service Station, then a left turn. From McHenry, north on Chapel Hill Road with a right turn at Adams Service Station.

## Former Champ Seeded Into State Fishing Meet

Tony Valengo of Fox Lake, the 1965 winner, will be among six previous champions who will compete with 35 qualifiers for the 1966 Illinois state individual fishing championship on Channel Lake and Lake Catherine near Antioch.

All previous state champions were exempt from qualifying and seeded into the finals, which will be held Sunday, Sept. 25 in two angling sessions from 11 a.m. to 2 p.m. and 3 p.m. to 7 p.m.

Ex-champions who'll be seeking their second crowns are:

terminus, then a right turn for one-half mile to the club grounds. From the west the route is through Johnsburg, across the Fox River to Adams Service Station, then a left turn. From McHenry, north on Chapel Hill Road with a right turn at Adams Service Station.

# Where Is The Jewel Food Ad Today?

So glad you asked! It shows you're a wise shopper — one who's used to scanning the food ads for the week's best buys. And because you won't find a Jewel ad in today's paper, we feel we owe you an explanation.

The fact is: there's no longer any need for one! You used to look at the weekend food ads for just one reason — to see what the "specials" were. Now you don't have to any more! Not with Jewel's exciting new store-wide pricing policy — "Miracle Prices" — the thousands of price reductions Jewel's made to help you enjoy TOTAL FOOD SAVINGS EVERY WEEK!

"Miracle Prices" aren't like the "weekend specials" you're used to seeing in ordinary food ads. Because they're not "weekend specials" at all. They're Jewel's new REGULAR EVERYDAY LOW PRICES. They're the prices you can expect to enjoy day-in, day-out, any day you come in to shop.

And there's not just a scattered few. JEWEL HAS REDUCED 2,327 PRICES THROUGHOUT THE STORE. Both nationally-advertised and Jewel's own famous brands. Your favorite foods and household needs — many by as much as 10c and 15c. You'll find the savings everywhere!

But here's the best part of all. You can expect to cut down your food bills substantially with

Jewel's "Miracle Prices." Substantially means SAVINGS OF \$3 TO \$7 EVERY WEEK. That adds up to \$200 or more in food savings every year.

There's only one way to prove all this to yourself. Come in. Browse around. Check and compare our prices. Do this and you'll know — "Miracle Prices" truly offer you TOTAL FOOD SAVINGS WHENEVER YOU SHOP — any time, any day, any week at Jewel!

Dr. SIMS says...

## SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

### HYPNOSIS NO CURE-ALL

"Dear Dr. Sims: I've heard that hypnosis is effective in breaking such habits as compulsive overeating, chain smoking and drinking. Is this true?"

In some instances, yes. Physicians have found hypnosis to be effective in treating such habits, but only in "selected" patients. So don't get the notion that hypnosis can help everyone. It can't. In fact, it can prove extremely dangerous, especially when practiced by a layman. To illustrate:

An executive's wife had a hypnotist cure her compulsive chain smoking. She then became a compulsive overeater, gained 40 pounds and asked another hypnotist to cure her obesity. By the time she regained her slim figure, she had become a compulsive drinker.

To rid her of compulsive drinking, she FINALLY sought the help of a physician who—following a complete examination—told her she should never have been hypnotized in the first place. In fact, any further hypnotic suggestions could have driven her to drug addiction or even suicide, he warned.

So you see, persons who seek the help of a lay hypnotist to cure a habit are playing with fire. Many times, habits such as smoking and overeating are based on a neurotic need. To effectively remove the habit through hypnosis—without danger to the patient—the neurotic need for the habit must also be treated. This often requires long term therapy in the hands of a skilled physician.

And, even with long term therapy, physicians are quite concerned about the possible dangers involved. That's why they utilize hypnosis on a highly selective basis—only after making a thorough physical and mental examination of their patient.

On this selective basis, there's no question about the value of hypnosis as a psychotherapeutic tool in the medical field. But remember: hypnosis is a double-edged tool. It can do serious

harm when used improperly by untrained persons.

## DON'T BE FOOLED BY "HEALTH FOODS"

Is our soil so depleted that foods grown in it won't provide normal nutrients?

That's what nutritional quacks say. And they use this "big lie" to swindle Americans out of \$500 million a year.

How? By falsely claiming that soil depletion causes malnutrition... that our food supply is overprocessed... and that all diseases may be due to faulty diet, they build a market for their so-called "health foods" which are supposed to protect you from nutritional deficiencies.

Fortunately, most of their fancy-priced vitamin products, special dietary foods and food supplements only hurt your pocketbook—not your health.

Sometimes, however, these quacks promote "miracle" products that may cause great damage. By falsely claiming to benefit serious conditions, many victims rely on these nostrums to cure or relieve their condition and, consequently, neglect seeking proper medical care.

Here are a few of their so-called "miracle" foods:

Honey and vinegar—claimed to relieve victims of asthma, high blood pressure, constipation and corns.

(Dr. you must be kidding) Carrot juice—promoted to cure victims of varicose veins, Addison's disease, gout and cystitis.

Wheat germ oil—advertised as a remedy for epileptics, arthritis and victims of shingles, ulcers, gallstones and cirrhosis of the liver.

Royal bee jelly—claimed to aid those with cataracts, degenerated muscles and alcoholics.

Safflower oil—promoted to cure victims of clogged arteries.

And the list goes on and on.

Within the last 10 years, a whole new group of nuttiered the picture. These quacks come to your doorstep with a wonderful multi-vitamin and mineral product to sell you as an insurance policy if you're well, or as a sure cure if you're sick.

But remember: a general purpose vitamin preparation to assure you're getting your basic requirements is totally unnecessary for most people. Granted, some may need

THURSDAY, SEPT. 22, 1966

THE ANTIOCH NEWS 9

a vitamin preparation. But only their physician can diagnose this need and prescribe the particular vitamin-needed.

Be especially on guard if these quacks try to sell you a fancy food supplement that contains a multitude of ingredients. Actually only 12 vitamins and minerals are appropriate for food supplements.

Don't YOU be misled or frightened into buying expensive health foods that make exaggerated claims. Our American food is unsurpassed in nutrients. If you eat a well-balanced diet, you'll get all the vitamins, minerals and other nutrients you need.

## ONE OF LIFE'S RECIPES

1 cup of good thoughts  
1 cup of kind deeds  
1 cup of consideration for others  
2 cups sacrifice for others  
3 cups forgiveness  
2 cups well-beaten faults.  
Mix these thoroughly, add tears of joy and sorrow, and sympathy for others. Fold in 4 cups of prayers and faith to lighten other ingredients and raise the texture to great height of Christian living. After pouring all this into your daily life, bake well with the heat of human kindness. Serve with a smile.

Drivers who have one for the road get a state trooper for a chaser.

*no matter  
who makes it,  
if A&P sells it, A&P  
guarantees it!*

For example.

Your A&P may sell as many as six or seven different brands of canned peas—national, regional and A&P's own brands.

It doesn't matter what company cans them...if A&P sells them...A&P guarantees them.

Unusual?

Not for A&P...because WE CARE...about your complete satisfaction.

Is this a good reason for shopping A&P?

It's one of many!
